Centered on Helping People

The Ramsell Holding Corporation has a unique corporate structure that consists of four healthcare companies and a non profit foundation, all focused on serving underserved populations and improving the lives of the most fragile among us.

Ramsell Public Health Rx

With more than 30 years of experience contracting with public health programs,

RAMSELL
PUBLIC HEALTH RX

Ramsell
Public
Health Rx is a

pharmacy benefits manager (PBM) focused solely on serving the public health sector. Ramsell Public Health Rx is a fully transparent PBM providing its clients with complete control of their pharmacy benefits program. The company provides claims adjudication, drug utilization, formulary management, a national pharmacy network and mail order services focused on delivering cost effective solutions and improving client outcomes.

Ramsell Pharmacy Solutions

Ramsell Pharmacy Solutions harnesses the expertise of licensed pharmacists

RAMSELL
PHARMACY SOLUTIONS

within the Ramsell family of companies to provide clinical services to our Pharmacy Benefits Management Company, Public Health

Ramsell family, we focus on providing quality services to the underserved and medically indigent, always seeking to improve patient outcomes.

Ramsell Information Technologies

The aim of
Ramsell

Information Technologies is to provide best in class healthcare benefits software. Building upon a powerful base of proprietary technology developed over a 20 year period at Ramsell Corporation, Ramsell Information Technologies designs, builds and supports standard and custom software to administer programs in the public healthcare sector.

Ramsell International

Ramsell International represents Ramsell Holding Corporation's interests and operations

RAMSELL
INTERNATIONAL

worldwide. Ramsell
International, in a
Public Private

Partnership on Global Health, is working on a health care initiative focusing on HIV/AIDS issues in Southeast Asia. Leveraging Ramsell's 30 plus years of public health experience, Ramsell's enablement program is assisting host governments at local and national levels establish and maintain health care programs to reach people with limited or no access to health care services.

Giving Back

Flowers Heritage Foundation

The heart of the Ramsell family of companies is The Flowers Heritage Foundation. The Foundation is a not for profit organization

FLOWERS
HERITAGE FOUNDATION

that
serves
the

underserved and helps improve the lives of the most fragile among us. The Ramsell family of companies provides the infrastructure, services, staffing and funding to fully support the work of the work of the Foundation. This unique structure ensures that 100 cents of every donated dollar goes directly to program recipients. At Ramsell, giving back to the community through the Foundation reflects our highest purpose and truly is the heart of the organization.
